Subject: FW: Draft Response to Ferdman Interview

---

**Resending – Karl got left off**

I have done some edits on what Cecilia has sent us. Simpler information is best. We can always add information if they have more detailed questions. I think it is important to emphasize the accuracy of the information EPA would provide versus the inaccuracies we have to correct later. For Karl, we might want to give him.

Will discuss via voice if you would like. Wanted to give you a change to see.

Working from home today. See blackberry number below.

**Importance:** High

Here's the draft response that Dan and Jeff developed. Let us know if you would like other information added. I've asked them to see if Debbie can pull the Proposed Plan and Public meeting dates that go back to 2006. Not sure if that would be Too Much Info (TMI), but could be handy if asked.

Thanks  
Cecilia
